

# MAXXBEAM™

## Focusable Area Light with Wireless Charging

Model number: MXN00900 Features & Benefits

### SUMMARY DESCRIPTION

The **MAXXBEAM™** is a versatile, high performance area work light designed for daily use in tough environments. It features a focusable beam that lets you change from a flood to a spot pattern. Up to 1200 lumens means great visibility, and a powerful rare-earth magnet, a retractable hook, and a 360-degree moveable handle with threaded accessory port adds outstanding versatility. Includes wireless induction charging pad that can be magnetically or screw-mounted to a vertical surface for quick and easy access. Includes. Easy to use USB-C charge cable.
